Government College of Engineering

(+91) 7385664978 | krushnasakhare965@gmail.com | LinkedIn

SKILLS

JavaScript • TypeScript • SQL • Python • Java

TECHNICAL SKILLS

React.js, Next.js, Redux, Tailwind CSS, Tan Stack Query, shadcn/ui, Node.js, Express.js, MongoDB, REST APIs, GraphQL, JWT Auth, Redis, AWS (EC2, S3)

INTERNSHIP

Full Stack Developer Intern

TDS Avenue Code Forge | Aug 2024 – Jan 2025

- Developed 100% of frontend and backend for Vidya Nexus, a multi-role school management system, demonstrating end-to-end feature ownership.
- Designed and implemented secure REST APIs with JWT authentication, optimizing MongoDB schemas for performance.
- Developed backend services for a vegetable delivery app, focusing on scalability and data integrity.
- Collaborated closely with founders and designers, taking ownership of features from conception to deployment.

Software Development Intern

Tech Walnut Innovation LLP | Jan 2025 – Jun 2025

- Developed 60% of the frontend for a Hospital Management System, utilizing reusable React components and a clean architecture.
- Built a modern HRMS frontend with real-time data rendering and a responsive UI.
- Enhanced application performance and maintainability by adhering to clean architecture principles.

EDUCATION

Nagpur, Nagpur, Maharashtra

PROJECTS

Cold Mailer AI

- Developed an AI-powered cold email generator for students and sales professionals, integrating Gemini API.
- Implemented authenticated user features for email generation, editing, and history tracking.
- Designed scalable APIs and optimized frontend state management for a robust user experience.

Hirrd

- Developed a role-based job platform for candidates and recruiters, featuring real-time capabilities.
- Implemented real-time features using Web Sockets and secured access with JWT-based authentication.
- Integrated Cloudinary for image uploads and Redux for efficient state management.

POSITION OF RESPONSIBILITY

- Event Coordinator, Rasta Foundation (NGO) - Organized awareness campaigns and community events.
- Team Member, Adhyaaya @ GCOEN - Supported planning and execution of technical events.
